

Appl. No. 10/617,575  
Amdt. Dated Nov. 16, 2004  
Reply to Office Action of October 13, 2004

### REMARKS

Applicant has incorporated claims 2-6 to independent claim 1, and canceled claims 2-10 and 12-18. Furthermore, applicant has rewritten claim 9 in independent form (now claim 19) including all of the limitations of the base claim and any intervening claims, and correspondingly has re-presented original dependent claim 10 as dependent claim 20. Accordingly, claims 1, 11 and new added claims 19-20 should be also allowable since claims 6 and 9 are in a position of allowance. Allowance and issuance of the claims are respectfully requested.

In view of the above claim amendments, the subject application is believed to be in a condition for allowance and an action to such effect is earnestly solicited.

Respectfully submitted,  
Jerry Wu
